

Application Number: 10/565,279

Amendment dated: September 2, 2009

Reply to Office Action of: 06/03/2009

REMARKS / ARGUMENTS

Remarks:

Applicant thanks the Examiner for his office action and for recognizing applicant's contribution by identifying the allowable subject matter.

Merely subject matter that was indicated as allowable is presented in this response. Claims 1 to 8, 11, 12, 16 to 18 and 21 to 23 were left unchanged since they were indicated as allowable.

Claims 9, 19 and 20 were canceled without prejudice.

Claim 10 was amended to incorporate the manipulative steps of claim 9, which was canceled, recited therein. Claims 13, 14 and 15 were amended to be dependent upon claims 10 and 11 and to exclude dependency to claim 9, which was canceled.

In light of the above, applicant believes that the rejections and objections presented by the Examiner in the office action mailed to applicant 06/03/2009 were overcome. Applicant therefore hopes that the Examiner will allow the application with the claims as presented to proceed to acceptance. Reconsideration and issue of a notice of allowance on the pending claims is respectfully solicited.

Respectfully submitted,
